

Datum's TekStak™ features Individually locking compartments for safe storage of a wide array of personal items and equipment, such as wallets, keys, weapons, and other small items of value. The TekStak electric version includes the added convenience of device charging with two electrical outlets per compartment that can be used to charge laptops, cellphones, and other electronic devices while stored inside.

## FEATURES

- 5 to 12 compartments (standard, non-electric, storage only)
- 5 or 10 compartments (optional electric for device charging)
- Optional laminate top for additional workspace
- Optional locking drawer base for extra storage
- Locking options: key, hasp, or programmable digital lock
- Ventilation keeps electronic devices from overheating
- TekStak is constructed of a heavy-duty steel with powder-coated finish

## DIMENSIONS
