X-TASK X1's classic black base pairs with the black and gray mesh color options to create an aesthetic that works in any office environment. The bold curves of the X-Chair deliver modern technology and comfort that can't be found in any other office chair.

“

This chair is amazing. I spend many long days at my desk and I feel as human when I get up as when I first sit down. It provides support in all of the right places. It has exceeded my expectations!

Extensive Variable Recline (EVR)

Extensive Variable Recline or EVR is specific to the X1 task chair. X1 users will find that EVR provides a level of customizable comfort previously unimaginable.
