C.I.T.É.
Office Furniture System

ZONE S C.I.T.É.

C.I.T.É.: sleek, contemporary, aesthetic, functional! More than a furniture system, it is the embodiment of versatility. Brainstorming sessions, project planning, information sharing, individual tasking and conceptualizing: C.I.T.É. modules lend themselves to the configuration of customized workstations providing both the collegiality and privacy your staff requires to deliver peak performance at any given time.

Adapting to current, evolving and emerging needs, the C.I.T.É. collection is produced from quality materials certified to GreenGuard Gold standards and referenced by the LEED building rating system. Beyond the modern, slightly edgy urban feel conferred by the use of translucent acrylic elements and aluminum accents lies a collection designed in keeping with the latest BIFMA standards for benching furniture systems.

A comprehensive C.I.T.É. environment in Totem and Snow finishes. Expression, IO and Papillon seating by United Chair.

Striking C.I.T.É configurations with a light, airy look and built-in storage solutions. Innovative space divisions using translucent accents and trapezoidal table extensions for impromptu meetings.

CURRENT

Connected by design

Team building and human interaction emerge as the core values of the creative process behind the C.I.T.É. collection. Distinguished by modular components with all required electrical access and storage capabilities, this system can be assembled, disassembled and reassembled into individual workstations, interactive team environments, workshop or meeting venues, as needed, with no loss of structural or visual integrity. C.I.T.É., where people and environments connect!

Totem and high-gloss white finishes shown here with *Montreal* metal leg option. Expression and IO seating by United Chair.

Touchdown station for 4 in Tuscan Walnut and Snow finishes with translucent acrylic *New York* base. IO seating by United Chair.

- 1 Electrical and communications center raceway with translucent *Sky* covers.
- 2 Wire management base with lockable hinged door.
- 3 Spacious center raceway accommodating all types of electrical and communication plug-ins required by users. The electrical system is easy to install, adapt and reconfigure.
- 4 *Chicago* metal leg option available in Silver or White.

A stunning C.I.T.É. environment with all the bells and whistles, in Tuscany Walnut and Snow finishes with translucent Sky inserts on privacy screens. IO seating by United Chair.

INTERACTIO

Creative C.I.T.É. configuration in Snow finish, with large felt screen and yellow *Montreal* metal legs. IO seating by United Chair.

Innately innovative

Interaction, conversation, creation: Groupe Lacasse developed the C.I.T.É. collection as an ever-evolving solution to your organization's multi-faceted needs. Integrating a wide range of innovative details, thermofused materials of superior quality, and the latest technologies in the field, it has been designed to deliver more than 25 years of flexibility and functionality!

Sleek C.I.T.É. wall system in Grigio finish with translucent acrylic *Sky* accents, surface-mounted felt screen and optional white *Montreal* metal legs.

5

- 1 Moveable individual storage module with optional backing (translucent, laminate, tackboard or white board).
